

Mini project 4 : Hand Gesture Controlled Robot

Group members:

1. 2020BTEEN00036 Sushant Anil Todkar .
2. 2020BTEEN00045 Siddheshwar Sugriv Ghuge .
3. 2020BTEEN00050 Shruti Rajesh Jawalkar .

i. Contribution made by all three:

1. Searching for the problem statement.
2. Checking feasibility of project.
3. Choosing hand gesture control robot as mini project 4.
4. Presentation preparation.
5. Attending all meetings taken for project planning and checking the progress.
6. Contributing Rs.350 each for the project.

1.Shruti jawalkar:

1. Handled role of leader for the project.
2. Scheduling the meetings.
3. Created synopsis for project.
4. Created ppt required for the project presentation.
5. Assisted Siddheshwar for hardware design and Sushant for report verifying.

2.Siddheshwar Ghuge:

1. Handled hardware part and debugging of code for this project.
2. Designed circuit diagram for robot and debugging of the code.
3. Hardware implementation and cost management.
4. Assisted shruti for ppt verification and Sushant for report verification.
5. Attended all meeting scheduled by leader.

3.Sushant todkar:

1. Handled documentation part of this project.
2. Searching for literature for this project and information required for the project.
3. Writing the report for the project.
4. Making other documents and component list and submitting the documents.
5. Assisted shruti for synopsis verification.
